NOTICE TO READERS

World Health, the illustrated magazine of the World Health Organization, has been published since 1958 appears six times a year and in five languages. This comprehensive ***Index*** of all issues between 1975 and the end of 1997 replaces and up-dates the indexes 1975-1987 and 1975-1990. The entries concerning the year's 1958-1974, can be found in the Index, 1958-1983, available on request. If you require further copies of the ***World Health Index 1975-1997***, please write to : The Editor, ***World Health***, WHO, 1211 Geneva 27, Switzerland. Please note that WHO has in stock only the last five years of the ***World Health*** magazine, and some of these issues are out of print. This ***World Health Index 1975-1997*** is also available on the Internet, under http://www.who.ch.
